Address

Dear _____ :

The Oshkosh Gymnastic Booster Club would like to invite _____ to participate in our "Community 100" Program.

We are looking for area businesses or individuals to donate 100 dollars or more. This contribution will support over 100 gymnasts from throughout the Fox Valley Region who are in the competitive program at the Oshkosh Gymnastics Center. This high quality, winning program has sent athletes to State, Regional, and National competitions through out the United States with top finishing results.

As we move into our 2011 competitive season, I would like to tell you about our successful last season. The Level 10 girls finished 1st place in the Wisconsin state meet, both Level 8 and Level 9 girl's teams finished 2nd, and the Level 7 girls finished in 9th place. Our four senior girls competed at the Junior Olympic Nationals with one of our gymnasts becoming the National All-Around Champion. Those same four graduating seniors each received full athletic scholarships to continue their gymnastics career and, more importantly, their education at division one colleges. Our compulsory girls Level 4-6 teams had a successful season as well with several gymnasts placing at the state competition.

This year, the Booster Club expanded to also provide financial assistance to the boys gymnastics teams. The Level 5 boys took 3rd place at the Wisconsin state meet and the Level 4 boys finished in 9th place. Four boys were named to the Wisconsin All State Men's Gymnastics Team. One member of the team qualified to compete at the Junior Olympic Nationals.

The families and gymnasts of the Oshkosh Gymnastic Booster Club, a 501(C)(3) non-profit organization, are hoping that we can count on your support. Enclosed is an information form that you may return to us along with your check payable to OGBC.

Thank you for your consideration of this request.

Sincerely,

Rebecca Kleven
OGBC Board Member
