

Oshkosh Gymnastics Booster Club

Competition Season 2008-2009

I am contacting you regarding the Oshkosh Gymnastics Booster Club's "**Community 100**" Campaign.

We are approaching area businesses to make a tax-deductible donation of 100 dollars or more. This contribution will support almost 100 gymnasts who are in the competitive program at the Oshkosh Gymnastics Center. This high quality, winning program has sent athletes to State, Regional and National competitions through out the United States with top finishing results. In the 2007-2008 season alone four of our 7 team levels were 1st place finishers at the Wisconsin Gymnastics State Championships.

The Oshkosh Gymnastics Booster Club needs your help. Your contribution will assure its availability to all gymnasts who aspire to compete. Gymnastics **prevents** childhood **obesity**, increases self-confidence and self-esteem, and significantly **reduces drug and alcohol** use among adolescents. With this in mind, your donation would be contributing to the development of responsible citizens in our community.

By uniting in this campaign, we show that Oshkosh is a community that stands behind their youth that strive to do more. With your donation we can achieve our goals. **Please act now!**
